To Whom It May Concern,

It is with great pleasure that I write this letter of recommendation for **Getuar Jakupi** who has successfully completed the 6-month internship in the **Programim** Department at Sharp Group LTD October 2025 - March 2026.

From the outset, Getuar Jakupi demonstrated a remarkable level of professionalism, responsibility, and dedication. His ability to understand and execute tasks with attention to detail, while meeting the specific needs of our clients, was truly impressive. He consistently showed initiative and a strong sense of accountability in everything he undertook.

As the CEO of Sharp Group LTD, I wholeheartedly recommend Getuar for any professional opportunity in the field of Programim. He has proven himself to be a motivated and competent young professional, and I am confident he will bring value to any organization he becomes part of.

Should you require any additional information, please feel free to contact me.

Best regards,

Arb Abdyli
